

ICCHA-WISH FUND AT RIH GOAL: \$1,000,000

Our goal is to raise funds for urgently needed equipment to establish an **Acute Cardiac Diagnostic Lab at Royal Inland Hospital**. This lab will enable coronary interventions and stent placement at RIH for patients who experience heart attacks. Currently, these patients are being sent to Kelowna or Vancouver.

ICCHA-WISH FUND AT TRU GOAL: \$1,000,000

The ICCHA-WISH Fund and Thompson Rivers University (TRU) are proud to announce a ground-breaking new partnership that will **provide local nursing students in financial need with a bursary totaling \$10,000**. Four students per year, will receive a \$2,500 bursary each year, throughout their entire 4-year nursing program.

Join the Amazing Race Challenge and become a “HERO OF THE HEART.”
